MUJERES
CEO

Your support to empower women entrepreneurs

Last year Americas Community Center began a series of motivational talks focused on the Hispanic Woman called "Mujeres CEO".

The events are held in Spanish, 60+ businesswomen in attendance per event. The target audience is Hispanics, women 25+ years old living in Broward County and Miami Dade.

Along with a speaker highlighting each event; a local community leader is recognized for their contribution to promoting women's empowerment. We are convinced that your support for this initiative will help empower women entrepreneurs in the community.

AMERICAS COMMUNITY CENTER

Americas is a non-profit organization created in 2001 with the purpose of helping the Hispanic immigrant.

Vision & Mission

Mission

We are a non-profit organization with social responsibility, committed to protecting the environment, which supports the Hispanic community, in business, professional, family, social and legal matters through its programs for a better adaptation and development in the south of Florida.

Vision

By 2024 being a leading and self-sustaining organization, internationally recognized through its community influence in the United States that contributes to human, social, economic, and technological development in South Florida through the skills of its collaborators and strategic alliances ensuring the quality and applicability of successful experiences.

Help us GIVING BACK TO WOMAN

MOTHER'S DAY GIVEAWAY

Over \$1.7K was raised during our March, Mujeres CEO luncheon which is allowing Americas Community Center to provide educational seminars, food, and woman essential items to women less fortunate in Immokalee FL & Homestead.

A Group of volunteers will be headed to these locations to provide services and GIVE BACK!

There are under previlaged hard working women/mothers in our own backyard.

Immokalee, FL*

Breast Cancer Survivors

Thanks to our October 2023 Mujeres CEO sponsors and supporters, we not only contributed to the National Breast Cancer Foundation, but also brought smiles to our local community. On December 16, 2023 Mujeres CEO was able to gift high-quality wigs to local breast cancer survivors. Three ladies were able to have an experience where they were able to choose the style, cut, and color of the wig.
